## **Tribal Tech, LLC Named 6-Time Honoree to the *Inc.* 5000 List** **Tribal Tech, LLC joins a select group of companies as a 6-time honoree**

ALEXANDRIA, VA – August 14, 2019 – Tribal Tech, LLC’s President & CEO, Victoria Vasques is proud to announce that, for the sixth year in a row, *Inc.* magazine has included them in their annual *Inc.* 5000 list, a comprehensive list of the nation’s fastest growing private companies and one of the most prestigious awards in business. According to *Inc.*, less than 3% of all honorees have achieved a listing for 6 consecutive years.

The 2019 *Inc.* 5000 list presents a comprehensive look at the nation’s fastest growing and most successful, privately held companies. The *Inc.* 5000 list has become the hallmark of entrepreneurial success and the place where future household names first make their mark. Companies are ranked according to the percentage of annual revenue growth over a three-year period. Tribal Tech’s profile can be found at <https://www.inc.com/profile/tribal-tech>.

Ms. Vasques stated, “I am very honored that Tribal Tech has earned a place on the *Inc.* 5000 list for the sixth year in a row. Since we are already included in the *Inc.* 5000 Hall of Fame, this award has just given the Tribal Tech family that much more to celebrate.”

Because of Ms. Vasques’ passion for education and wellness, and her American Indian heritage, Tribal Tech, LLC has worked closely with numerous government entities and non-profits to help underserved communities throughout the country.
